Grape harvest	By hand
Vinification	Fermentation In stainless steel tanks and aging in wooden barrels

Wine description and information

This elegant red wine is named after the wine village “Santa Maddalena”, situated on one of the hills around the city of Bolzano. The “Santa Maddalena” is the result of two grape varieties, the Schiava and the Lagrein, which are contained in different amounts in this elegant red wine. In the glass, the wine is recognizable thanks to its light ruby colour, and it offers a fruity bouquet with hints of violets and almonds.

In the mouth it has a round medium-body that allows its degustation in many different occasions.

Pairings

The Santa Maddalena is the perfect wine for a degustation of cold cuts and cheeses, but it can be also combined with white meat thanks to its delicate flavour. Its ideal service temperature is 18°.
